

## LumiCloud Cellular Data Subscription

### Key Features

- Provides data subscriptions for one month, six months, or 12 months
- Supports remote connectivity for LumiGuardian Solar Trailer
- Autodetects best cellular service for location

### Compliance

- NDAA Compliant

### Overview

LumiCloud enterprise-grade cellular data packages are designed to meet the high data demands of business users, offering up to 200GB of high-speed 4G data supporting AT&T, Verizon, and T-Mobile in the USA, and Rogers, Bell, and Telus in Canada. Data subscriptions are offered as monthly, 6-month or 12-month plans.

### Key Technology

LumiCloud data packages provide reliable nationwide 4G cellular data coverage by utilizing the top networks in North America. LumiCloud has the capability to automatically identify and connect to the most optimal network available in your vicinity.

LumiCloud data packages support remote connectivity between the LumiGuardian Solar Trailer and LumiCloud.

# System Requirements and Technical Specifications
